

2014 Hall of Fame Inductee

Jim Plummer

Central Bucks High School Class of 1967

Jim Plummer's interest in basketball began at a young age while watching the Big Five on UHF television. As he grew into his teen years he learned the game from the older guys at the Burpee Playground and his skills continued to improve.

At Central Bucks High School, Jim was a two-year letter winner in Basketball. Selected Captain in his Senior year, he averaged nineteen points per game, making him second in the league for scoring. In his Senior year the Basketball team had a 14-4 record.

- MVP Senior Year
- First Team Sports Writers All Bux-Mont
- Set school record for Assists in one season
- Completed a triple double (23 points, 12 rebounds, 10 assists) against North Penn
- Selected to Philly Suburbs vs. New Jersey All Star at high school Charity Classic

After high school Jim continued to play basketball for Bucks County Community College and received a scholarship to St. Petersburg Junior College in Florida.

In 1974 Jim started Plummer's Sporting Goods in Doylestown where for twenty years he provided sporting goods to teams and individuals in the area. He continued his involvement in sports with the Doylestown Athletic Association (DAA) as a coach, and sat on the Board of Fanny Chapman Pool. He is an active supporter of Central Bucks Athletics.

An insurance salesman, Jim and his wife Susan still live in Doylestown. They have three children—Jennifer, Kristen, and AJ as well as three grandchildren—Eric, Joey and Caroline—who keep him busy. Recently he helped coach the basketball team where his 7-year old grandson Eric is a team member.

When notified that he was selected to the CB-CB West Hall of Fame, Jim said, "It is an honor to be selected by the membership of the Central Bucks High School Hall of Fame."
