After graduation from West Judie attended Wesley Junior College located in Dover, Delaware. She captained both the Field Hockey and Basketball teams. In her first year at Wesley she was selected MVP for both of those sports and named Most Outstanding Female Athlete. Judie transferred to Lock Haven University in Pennsylvania where, for two years, she played crease attack for the DII Women's Lacrosse program.

Judie earned her Bachelor of Arts degree in Psychology from Washington College where she was selected the *Virginia Conner Psychology Department Award* winner and received honors on her senior thesis.

Except for a 7 year period as the Recreation Supervisor for Kent County Parks & Recreation, Judie has served Washington College in Chestertown, Maryland since 1984. She is currently the Director of Donor Relations and Stewardship in the Office of Advancement.

Judie, and her husband Stewart, make their home in Worton, Maryland. When notified that she was voted into the CB-CBW Hall of Fame, Judie shed a tear as she thought about the many great athletes whom she would be joining in this elite organization.
