Don received a full football scholarship to the University of Southern Mississippi. During those years he played Wide Receiver until an injury sidelined him from the sport.

After college, Don spent 20 years working for two Philadelphia construction companies, working on job sites throughout south eastern Pennsylvania, including hospitals, schools and several of the largest east coast malls at that time. For the last 15 years Don has been employed by Solar Atmospheres, a family-owned business in Souderton.

He had the pleasurable experience to make significant improvements to his first home which was in Hatfield. One of his most proudest moments was in early 2004 when he and his father became Masons, enjoying many times together with their fellow Lodge members.

Don shares an ironic twist to his football days at Central Bucks: “When I played at CB West, we were never able to beat Hatboro-Horsham. My wife, Arlene Hulmes shares the same graduation year as me. I guess the saying is true: *If you can't beat 'em, join 'em.*”

Don and his wife recently moved to an Age 55+ community in Quakertown. They're enjoying their new home with its many clubhouse activities available to residents. Later this year they will celebrate their 25<sup>th</sup> wedding anniversary with a special trip, adding to their list of travelling and cruising with friends and family.
