

2018 Hall of Fame Inductee

**Mark Miller -- 1998
Central Bucks West**

Mark Miller participated in four different sports, but excelled in Track & Field at the District, State, and National levels during his athletic career at Central Bucks West High School. He received Varsity letters in three sports for a total of 8. Mark stepped up to the line in many different track events from hurdles, 200m, to the 4x400 relay team that competed at the Penn Relays. It was the field events that he felt most at home: The triple jump, high jump, javelin, and occasionally the pole vault. It was hard to find an event that Mark wouldn't be willing to compete in as he was always there to help the team.
